How We Find Talent?

Our Success Stories

01

Case Study

An international jewellery brand that is a major worldwide fashion retailer needed recruitment support for a specialised sales team. All candidates needed knowledge of the watch and jewellery industries in addition to collaborating with clients to create unique pieces. Additionally, all candidates needed to possess a high degree of CRM skills. Drake created an effective and detailed recruitment brief. Our team's expertise in the field and strong network allowed us to effectively place a number of candidates in flagship stores across Australia. The client's feedback on Recruitment Manager Lee was that she was "tenacious, comprehensive, and provided deep insights on suitable candidates, with great communication." We are still working together with this client.

02

Case Study

A global luxury fashion brand with multiple stores in Australia and New Zealand urgently needed Drake Retail's assistance in filling key positions, from Store Managers to the sales team for the opening of stores in two states, all roles had an immediate start date. With the support our committed team, we were able to fill all of the open positions within a short timeframe and are still collaborating with the client. The client expressed appreciation and gratitude and was quoted as saying, "Drake has filled roles we had struggled with successfully. We value their assistance throughout the hiring process and their time, patience, and support.

03

Case Study

A premium international brand, a top global fashion retailer, had specialised job vacancies that they were unable to fill. We joined forces with the HR, store manager, and operations manager to understand the role requirements, despite other agencies' advice that the location would result in a limited talent pool. As a result of our team taking time to fully understand the role demands, we were able to fill two of the three positions. Our "strong communication, constant support, and prompt presentation of qualified candidates" were praised by our client. They started opening more senior positions for Drake Retail to support them after being impressed by our service and commitment.
